CPR/First Aid

CPR saves lives!

Certified instructors use real life situations to guide you through life-saving techniques.

We offer many different basic CPR classes. Find one that fits your needs or let us know if you have specific requirements for your group, and we can tailor a class for you, such as teachers, coaches, lifeguards, day care providers, industrial workers, etc.

All CPR classes follow American Heart Association and National Safety Council Standards

Standard CPR classes include:

• **Infant and Child CPR**

A 3-hour class focused on providing rescue breathing aid to infants and children using smaller, child-sized mannequins. We'll also cover the most common causes of pediatric injuries and how to prevent them.

First Aid

Training on how to recognize and treat a wide variety of emergencies, including: bleeding, seizures, shock, burns, head and spine injuries, joint and muscle injuries, fainting, poisoning, cold and heat related emergencies. You'll also learn scene safety and control. It is recommended that you take Adult and/or Infant/Child CPR prior to this course.

Refresher CPR/First Aid

Abbreviated versions of the basic CPR and First Aid classes aimed at reviewing your lifesaving skills. This class is open only to those with current CPR or First Aid cards.

Advance Directives

Have you ever wondered who would make health-related decisions for you if you are unable to due to critical injury or illness (if you are in a coma for example)?

Having an advance directive prepared prior to any injury illness or will help communicate your wishes regarding medical treatment to physicians and family. These directives describe the kind of care you do or do not wish to have if you have an injury or illness you are not likely to recover from.

The Social Services Department at Wise Regional is available to educate you or your group on all aspects of planning and preparing your advanced directive.

Prenatal Education

Covering all aspects of childbirth, including Pregnancy, Childbirth, Breastfeeding and Sibling classes.

Early Pregnancy

You want to be in the best shape you can for welcoming a new baby. This two-hour class will teach you the basics of nutrition, exercise, prenatal care, pregnancy discomforts, fetal development and much more. Recommended during your first trimester.

Prepared Childbirth

What is childbirth going to be like? This 2 ½ hour 4-session class will
