ASSISTED LIVING

THE COMFORTS OF HOME MINUS THE WORK AND WORRY.

If you need a little extra support and assistance, our traditional assisted living or senior living communities are designed to be a warm and caring option for you. We offer a broad spectrum of activities such as wellness programs, community outings, socialization and personal care to enhance your life. It is the comforts and privacy of home without the work and worry. Our services are offered in a variety of settings to meet your needs. Many of our assisted living centers operate under the Springhouse name.

Our communities are designed specifically with you in mind. They are places that let you maintain control over your life by encouraging choices and independence while maintaining the comforts of home. We offer a selection of beautiful accommodations with private baths and ample closet space. Many also have kitchenettes. We provide an emergency call system, weekly housekeeping, linen service and delicious meals. Common areas, lounges, courtyards and patios along with planned activities provide many choices in how you want to spend your day.

INDEPENDENT LIVING

FREEDOM, CONFIDENCE AND QUALITY OF LIFE.

When you no longer want the responsibilities of running a household, independent living may be the right option for you. We have a committed team of professionals dedicated to providing quality senior living with genuine care. Recognizing your unique needs, we offer a continuum of care which includes a combination of enjoyable activities, companionship, security and comfortable upscale living.

Our goal is to enhance your quality of life through wellness programs, creative activities, socialization and personal care services in a warm and caring environment. We offer a variety of well-designed accommodations, nicely decorated lodgings, security systems, individual climate control, and a range of social gatherings and recreational programs.

Many of our locations are located on a campus with a skilled nursing and rehabilitation center. So if you ever need additional services after an illness, injury or surgery, you can receive care close to home.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
