A Message for Attorneys Who Practice in the U.S. District Court for the District of Oregon
The U.S. District Court for the District of Oregon will implement CM/ECF NextGen on January 21, 2020. Please review the [NextGen Instructions](#) about how to ensure that you will be able to e-file when NextGen is implemented.

For those with a PACER account that was established in mid-2014 or before, the attorney will need to upgrade the PACER account. In addition, all users will have to make sure they know their CM/ECF username and password and keep them handy, so that they can link their PACER and CM/ECF accounts in order to e-file in Oregon federal district court on or after January 21.

Essentially, the changes to CM/ECF will allow users to have a single user ID and password for both PACER and CM/ECF, and new applicants to the District of Oregon Bar will submit their applications via PACER. Otherwise, the user experience for e-filing will stay the same. Even so, it is important to review the steps in the document linked above to avoid any interruptions to your ability to e-file. For more information, please navigate to ord.uscourts.gov/nextgen

Oregon Chief Justice Issues Rule Limiting Courthouse Arrests
On the recommendation of the Uniform Trial Court Rules (UTCRC) Committee, Oregon Supreme Court Chief Justice Martha Walters today enacted a rule that prohibits civil arrests in state courthouses unless the arresting agency has a judicial arrest warrant. The rule was adopted following a request to prohibit U.S. Immigration and Customs Enforcement (ICE) agents from making arrests in courthouses acting only on their own administrative warrants.

The UTCRC Committee reviewed a proposal to ban civil arrests without a judicial warrant both in courthouses and when people are in transit to or from court proceedings. The final rule reflects the Committee's recommendation and prohibits non-judicial arrests only in court facilities or their vicinity (including entryways, sidewalks, and parking lots).

The rule does not require judges to take any specific enforcement action, but also does not limit their ability to enforce this rule or other law. The rule will be posted for public comment in mid-December and reviewed again by the UTCRC Committee in April 2020. Once posted, people wishing to comment on the rule can do so here: <https://www.courts.oregon.gov/programs/utcr/committee/Pages/default.aspx>.
