Ex Parte Appeal No. 90177287 (parent)
Ex Parte Appeal No. 90177346

Nicole Thier, Paralegal Specialist:

On November 14, 2022, the Trademark Examining Attorney filed a motion to consolidate the above-identified appeals¹. In light of the similarity of the records and issues in these appeals, the motion is granted, and applications Serial Nos. 90177287 and 90177346 are consolidated. See TRADEMARK TRIAL AND APPEAL BOARD MANUAL OF PROCEDURE (TBMP) § 1214.

The consolidated appeals may be presented in the same brief; however, the brief should bear the serial number of each application and a copy of the brief should be submitted for each application. Also, these cases may be argued together if a request for oral hearing is filed.

A request for an oral hearing, if desired, may be made not later than ten days after the due date of Applicant's reply brief.

¹ In her motion to consolidate (4 TTABVUE), the examining attorney mistakenly indicated that her appeal brief is due, however, these appeals are before the examining attorney for consideration of appellant's request for reconsideration filed concurrently with its notice of appeal. In view thereof, the appeals remain suspended and jurisdiction remains with the examining attorney for consideration of the request for reconsideration.
