U.S. Patent & TMO/TM Mail Rcpt Dt. #78

Opposition No. 91151893

THIRD CONSENTED TO MOTION FOR EXTENSION OF DEADLINES

Opposer, RMV Cellars, LLC, respectfully moves for an extension of the testimony deadlines for 90 days, beyond the last request for extension as follows:

30-day testimony period for party in position of plaintiff to close	April 26, 2004
30-day testimony period for party in position of defendant to close	June 23, 2004
15-day rebuttal period for party in the position of plaintiff to close	July 8, 2004

The requested extension is not for the purposes of mere delay. Opposer has submitted a motion for leave to amend the notice of opposition and to reopen discovery on limited issues. The parties wish to conserve resources and await the taking of testimony until the parties learn of the Board's decision on that motion. This is the second such motion under these circumstances. Chuck McClung, counsel for Applicant, has consented to this motion and the requested extension in a telephone conversation on December 22, 2003.
