**MEMORANDUM OF LAW IN SUPPORT OF  
MOTION TO SUSPEND OPPOSITION**

**I. Introduction and Factual Background**

This paper is respectfully submitted in Support of Applicant's Motion to Suspend the present Opposition, pending the adjudication of a Federal Declaratory Judgment Action which has been pending since May 28, 2008 in the United States District Court for the District of Wyoming (08-CV-138-J) and which involves the very same parties. The federal dispute involves declaratory judgment under 28 U.S.C. §2201 and §2202 regarding infringement of the Applicant's mark UNKER'S.

## **II. Argument**

This action should be stayed. As the Board has previously noted:

“It is the policy of the Board to suspend proceedings when the parties are involved in a civil action which may be dispositive of or have bearing on the Board case. See Trademark Rule 2.117(a); see also TMBP § 510.02 (a) (2d ed. Rev 2004).

The exact same rationale applies here.

### **1. The Federal Lawsuit Will Adjudicate All of the Issues Raised Here.**

This Opposition seeks to adjudicate issues that will be before the Federal Court in Wyoming and which will be finally adjudicated there.

All of the issues raised in the Opposition will be adjudicated as part of Applicant’s Federal Declaratory Judgment claim. All issues involving the subject matter of U.S. Serial No. 78/862,497 will be adjudicated by the Wyoming Federal Court in a trial.

The Federal Court in Wyoming will thus adjudicate the very issues raised in the Opposition in the context of Applicant’s Federal Declaratory Judgment claim. The federal lawsuit will be depositive of or have a bearing on the Opposition. The action should be suspended under Rule 2.117(a).
