**NOTICE OF OPPOSITION**

Undeclared, Inc. ("Opposer"), a California corporation having its principal place of business at 112-1/2 South La Brea Avenue, Los Angeles, California 90036, believes it will be damaged by registration of the word mark NO DEFEAT and Device shown in Serial No. 85/498,563 in International Class 25, filed by Vickie Collins ("Applicant"), and hereby opposes the same.

As grounds for this Opposition, it is alleged:

1. On or about December 19, 2011, Applicant filed an intent to use application with the United States Patent and Trademark Office to register NO DEFEAT and Device mark (hereinafter "Applicant's Mark") for "T-shirts" in International Class 25. The application for Applicant's Mark was published in the Official Gazette on May 22, 2012. Opposer requested, and was granted a extensions of time to oppose Applicant's Mark until September 19, 2012.

2. Since at least as early as 2002, Opposer has been using its UNDEFEATED Mark on a variety of goods and services as listed on the registrations listed below, among others goods and services. Opposer is the owner of the registrations listed below:

<u>Class</u>	<u>Reg. No.</u>	<u>Reg. Date</u>	<u>Goods (partial list)</u>
25	3,218,703	03/13/07	Clothing, footwear, headgear
35	2,754,149	08/19/03	Retail store services
35	3,406,215	04/01/08	Retail store services featuring clothing, footwear, headgear

3. There is no issue as to priority. Applicant's priority date for her intent-to-use application is the filing date, December 19, 2011. Opposer's priority dates and registration dates are long before Applicant's priority date.

4. Since long prior to Applicant's filing of the application for Applicant's Mark (no use of Applicant's Mark having been alleged by Applicant so Applicant's priority date is the filing date), Opposer has made substantial and continuous use of the UNDEFEATED Mark in interstate, foreign, and intrastate commerce on and in connection with the advertising, promotion, and sale of its goods, since as early as 2002.

5. By virtue of the aforesaid advertising, promotion, and sales, and by virtue of the excellence of its products, Opposer's UNDEFEATED Mark has come to represent exceedingly valuable goodwill owned by Opposer.

6. The goods on which Opposer uses its UNDEFEATED Mark and the goods for which Applicant seeks to register Applicant's Mark are identical or are closely related. In the absence of any restrictions, Applicant's Application, if registered, would allow her goods to be sold through the same channels of trade and to the same class of purchasers as Opposer's.

# Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

## Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

## Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

## Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

## API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

## LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

## FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

## E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
