Opposition No. 91264894

Aslan Law P.C.

v.

Thompson Law LLP¹

By the Trademark Trial and Appeal Board:

On November 11, 2020, Applicant filed a proposed amendment to its application Serial No. 88811041, with Opposer's consent, and Opposer's withdrawal of the opposition, contingent upon entry of the amendment.

By the proposed amendment, Applicant seeks to amend the identification of goods (wording to be added is in bold and underlined):

FROM Legal services

TO Legal service, **namely personal injury law services.**

The amendment is limiting in nature, as required by Trademark Rule 2.71(a). Because Opposer consents thereto, the amendment is approved and entered. *See* Trademark Rule 2.133(a).

¹ Applicant's consented motion to extend time to answer, filed on November 30, 2020, is moot in view of the instant order granting the motion to amend.

Opposition No. 91264894

The contingency in Opposer's withdrawal having now been met, the opposition is dismissed in accordance with the agreement between the parties.
