NOTICE OF OPPOSITION

Factory Direct, Inc., an Oklahoma corporation, located and doing business at 3920 W. I-40 Service Rd., Oklahoma City, OK 73108 (“Factory Direct”) provides its Notice of Opposition to the registration of the Mark shown in Application Serial No. 97417658 in International Class 24 and U.S. Classes 42 and 50 for Bed Sheets, and in International Class 20 and U.S. Classes 2, 13, 22, 25, 32 and 50 for Mattresses; Pillows; and Mattress toppers filed by Serta, Inc. (“Serta”) on May 18, 2022. In support of its Notice of Opposition, Factory Direct states as follows:

1. Factory Direct has been engaged in the manufacture, distribution, sale, advertising, and promotion in interstate commerce of Factory Direct’s ECO COMFORT mattresses and related sleep products since March 2008.

2. Since at least March 2008, Factory Direct has used, and is now using, Factory Direct’s registered ECO COMFORT trademark in connection with the products it manufactures, distributes, sells, advertises, and promotes in interstate commerce on its mattresses and related to sleep products.

3. Factory Direct is the owner of, and will rely herein upon, the following Federal Trademark Registration:

Mark	ECO COMFORT
Registration Number	3,609,893
Issue Date	April 21, 2009
Goods	Sleep products, namely, mattresses, spring mattresses, box springs and mattress foundations

(the “ECO COMFORT Registered Mark”).

4. Registration of Factory Direct’s Registered ECO COMFORT Mark is valid, subsisting, and conclusive evidence of Factory Direct’s exclusive right to use the ECO COMFORT Registered Mark in commerce on the goods specified in said registration.

5. In addition to its rights to use the ECO COMFORT Registered Mark, Factory Direct additionally claims rights under common law to the exclusive use of the ECO COMFORT mark for various promotional purposes relating to mattresses and related sleep products.

6. The validity of the ECO COMFORT Registered Mark; the registration of the ECO COMFORT Registered Mark; Factory Direct’s ownership of the ECO COMFORT Registered Mark; and Factory Direct’s exclusive right to use the ECO COMFORT Registered Mark in commerce for the above-mentioned goods are incontestable under 15 U.S.C. § 1065 and 15 U.S.C. § 1115(b). Factory Direct has filed the required Affidavit with the Commissioner of Patents and Trademarks.

7. Factory Direct has continuously used the ECO COMFORT Registered Mark to identify its ECO COMFORT line of mattresses since March 2008, and to distinguish them from those made and sold by others. Factory Direct has identified its ECO COMFORT line of mattresses by, among other things, prominently displaying the ECO COMFORT Registered Mark on mattresses that it manufactures, and with respect to all related promotional materials associated therewith. As a result of sales, advertising, and marketing by Factory Direct, the ECO COMFORT Registered Mark is inherently distinctive and clearly identifies Factory Direct as the manufacturer

of the ECO COMFORT line of mattresses, and Factory Direct's use of the ECO COMFORT Registered Mark has developed substantial good will and great value in the mattress market.

8. The ECO COMFORT Registered Mark is strong and distinctive. It has long been used by Factory Direct in connection with the goods on which it appears and has long been the subject of substantial advertising and promotion by Factory Direct. Factory Direct has used and advertised the ECO COMFORT Registered Mark throughout the United States, and it is widely recognized by consumers and those in the trade and is exclusively used by Factory Direct. Factory Direct has expended and continues to expend significant amounts of time and money to advertise, offer for sale, and promote its products through its distinctive ECO COMFORT Registered Mark throughout the United States.

9. On May 18, 2022, Applicant filed an application for registration of the proposed standard character ICOMFORTECO trademark for "Bed Sheets" in International Class 24 and U.S. Classes 42 and 50 and for "Mattresses; Pillows; Mattress toppers" in International Class 20 and U.S. Classes 2, 13, 22, 25, 32 and 50. The Application was assigned Serial Number 97417658 and was published for Opposition in the Official Gazette of October 24, 2023.

10. Applicant's ICOMFORTECO mark so resembles Factory Direct's ECO COMFORT Registered Mark that when applied to the goods of Applicant it is likely to cause confusion, mistake, and to deceive as to the affiliation, connection, or association of Applicant with Factory Direct, and as to the origin, sponsorship, or approval of Factory Direct, resulting in damage and detriment to Factory Direct and to its reputation.

11. Beginning in February 2023 Applicant caused mattresses to enter interstate commerce with the unregistered designation and representation ICOMFORTECO on a new line of mattresses using a stylized ICOMFORTECO presentation in which the "I" is barely visible, giving
