**MOTION TO SUSPEND PROCEEDINGS PENDING DISPOSITION OF DISTRICT
COURT ACTION**

Pursuant to 37 C.F.R. § 2.117(a) and TBMP § 510.02(a), Petitioner, through its counsel, hereby moves the Board to suspend the above-referenced proceeding (the “TTAB Proceeding”) pending final disposition of Federal district court case No. 4:22-cv-02511-SK, filed April 25, 2022, in the Northern District Court of California. Copies of the complaint and civil cover sheet are attached as Exhibit 1 to allow the Board to determine if the outcome of the civil action will have a bearing on the issues before the Board.

The civil action involves issues in common with those in the above-referenced proceeding before the Board and the decision in the Federal Court will be binding upon the Board, while the Board's decision may not be binding upon the Court. Petitioner is the sole Plaintiff and Registrant is a Defendant in the civil action. In the civil action, Petitioner brought Federal Trademark Infringement claims against Registrant under the Lanham Act in addition to a Request for Refusal to Register, Federal Unfair Competition, CA Trademark Infringement, CA Unfair Competition, Defamation, Public Disclosure of Private Facts. One of the marks at issue in the civil action is the same mark at issue in this cancellation. When parties are involved in a civil action concerning the same marks and issues, the standard procedure of the Board is to suspend its administrative proceedings pending the outcome of the civil action. *New Orleans Louisiana Saints LLC v. Who dat? Inc.*, 99 USPQ2d 1550, 1552 (TTAB 2011)(quoting 6 *McCarthy on Trademarks and Unfair Competition* § 32:47 (5th ed. Updated September 2017)).

Petitioner's counsel contacted Registrant's counsel regarding this motion to suspend pending the outcome of the civil action. As of the filing of this motion Registrant's counsel has not yet responded to Petitioner's counsel.

For the reasons mentioned above, Petitioner respectfully requests that the Board suspend the above-referenced proceeding pending the outcome of the civil action referenced above.

Respectfully Submitted,

West & Associates, A PC

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
