Applicant: *Red Apple Media Inc.*
Serial No.: 97145861

Amy Matelski, Paralegal Specialist:

On September 29, 2022 and October 31, 2022, Potential Opposer **Apple Inc.** filed a request for an extension of time to file an opposition to registration of the mark in the above-identified application.

However, due to an administrative clerical error, the subject application inadvertently matured into Registration No. 6901038. The Board regrets this situation, but is without authority to vacate the issuance of said registration.

Accordingly, the matter will be forwarded to the Office of the Commissioner for Trademarks for consideration of the cancellation of the registration, following which further appropriate action will be taken with respect to the request for extension of time to file an opposition.

Potential Opposer should note that the Board will not suspend the time for filing a notice of opposition for any reason. TBMP § 209.01. Accordingly, if Potential Opposer wishes to preserve its right to oppose, it must continue to file requests for extension of time to oppose, if available, or a notice of opposition.
