Dear James,

As discussed below, and as the Court has lifted the stay in the Samsung cases, we intend to move forward with a motion to compel amended infringement contentions in the coming days. Please let us know your availability for a meet and confer either on Monday, July 15, after 3:00 pm Eastern time, or at any time on Tuesday, July 16.

In addition, to facilitate service of Samsung's initial non-infringement contentions, including the chart required under Patent Local Rule 3.3(a), we ask that you send us a Microsoft Word-formatted copy of Appendix A to B.E. Technology's initial infringement contentions. Please let us know if this is acceptable.

Kind Regards,

Justin A. MacLean

James:

In light of your January 30 letter declining to amend your infringement contentions, we intend to move forward with a motion to compel amended contentions shortly after the Court decides our pending motion to transfer (assuming, of course, that motion is denied). Please let us know if you will oppose that motion or, alternatively, if you would like to discuss the proposed motion by telephone. I am available this week for a call.

Thanks,

Josh
