Thanks, Peter, that is what I meant by equivalent. We're filing our brief in a few minutes; we will only be requesting two additional pages over the page limit.

Also, you will see that we have slightly modified the proposed construction of the "generated by the portable device" term based upon Blitzsafe's recent arguments to the PTAB.

Thanks,

Joe

Joe,

If by equivalent you mean the same number of pages, we do not oppose. Thanks.

Alessandra and Peter,

Further to our discussion yesterday, Defendants will file a motion for leave to file a brief in excess of the page limits tomorrow. As of now, we expect to request four additional pages above the page limit (i.e., 34 pages total).

Assuming Blitzsafe does not oppose Defendants' motion for leave, we will agree to not oppose a motion for leave filed by Blitzsafe requesting an equivalent amount of pages in excess of its page limits for its reply claim construction brief.

Let me know if Blitzsafe opposes Defendants' motion for leave.

Thanks,

Joe
