1	Washington, D.C.; Tuesday, August 1, 2017
2	(Call to order)
3	THE CLERK: All rise.
4	
	THE COURT: Good morning, please be seated.
5	MR. SPEAKER: Good morning.
6	THE COURT: We're here on motions for summary
7	judgment and pretrial conference in Number 2:15-cv-1455 in the
8	Eastern District of Texas. We have a lot to cover today so why
9	don't we just get started right in. What I want to do first, I
10	have some preliminary matters I'd like to attend to, and then
11	we'll go into the discussion of the summary judgment motions
12	and, if need be, discuss the matters to be taken up as part of
13	the pretrial conference. Now, the first order of business is
14	to deal with the venue point. We issued an order yesterday
15	regarding Mylan's objections continuing objections to venue.
16	What I'd like to do is have and this is my general practice
17	in these things, is have counsel for each side up at the
18	lectern. By and large, I will conduct proceedings through
19	questioning rather than having you make long statements. I've
20	read all the papers so I'm familiar with the points being made,
21	and I'd like to try to minimize the amount of time of popping
22	up and popping down. On this one I don't know that we need to
23	do that, but in general let's follow that practice. And let's
24	also this is more in the nature of a question but oh, I
25	assume and would prefer to have one counsel for each side

5

1	arguing each motion. Now, that doesn't mean one person has to
2	argue everything. It means that I'd like to hear from one
3	party and not multiple parties on each motion. Is that
4	consistent with what you intend?
5	(No audible response)
6	Very good. So why don't we first then have Mylan's
7	position on venue?
8	MS. DEVINE: Good morning, your Honor, Wendy Devine
9	on behalf of Mylan. Mylan has chosen to waive the venue
10	objection.
11	THE COURT: Okay, you're waiving the objection to
12	venue.
13	MS. DEVINE: Correct.
14	THE COURT: Okay, I think that solves that problem.
15	MS. DEVINE: Thank you.
16	<b>THE COURT:</b> Is there any is there let me ask
17	this question. Ms. Devine, just a moment. I find myself
18	sometimes in the awkward position of having not asked the
19	question that I should have asked in the midst of someone
20	saying they agree to something. So let me ask Allergan's
21	counsel if there's anything more that I should be asking with
22	respect to the question of whether the waiver is whether
23	you're satisfied with the waiver. What I obviously what I
24	don't want to have happen is to have this issue pop up again
25	later. I mean. if I want us to be on the same page. we're

# Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

## **Real-Time Litigation Alerts**

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

## **Advanced Docket Research**

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

## **Analytics At Your Fingertips**

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

### API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

#### LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

#### FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

#### E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
