¹ Cites to any one of the '466, '578, '766, and '293 patents are exemplary only and should be understood as including cites to equivalent one of these four patents. For example, the '466 and '293 patents have substantially identical specifications, and so do the '578 and '766. Either patent in each pair should be understood as including cites to equivalent disclosure in the other patent of the pair.
