Case No. 2:17-CV-140-WCB

**ORDER**

At the motions hearing scheduled for October 24, 2018, the parties should be prepared to discuss the legal question of whether goods that are shipped to a Samsung subsidiary in the United States and exported for sale in other countries are relevant to the calculation of damages for patent infringement in the United States. The Court will not require the filing of briefs on that issue at this time, but will expect the parties to be prepared to address the issue orally in light of all available legal authorities, including *Synqor, Inc. v. Cisco Systems, Inc.*, No. 2:14-cv-286, 2014 U.S. Dist. Lexis 188906 (E.D. Tex. Aug. 11, 2014).

In addition, by October 23, 2018, at 3:00 p.m., Eastern Time, the parties are directed to file a list of any authorities not already cited in the briefs that the parties intend to rely on at the hearing, including any authorities directed to the issue set forth above.

IT IS SO ORDERED.

SIGNED this 18th day of October, 2018.
