Enrique,

I am following up on a few of Defendants' 30(b)(6) topics. Regarding topic 25, we accept your proposal to limit the topic to technology covered by the patents-in-suit. For topic 88, it looks like it was omitted from your lists as an oversight. AGIS indicated that it would designate a witness for topic 88, but it is not included in your lists below. Please let us know who will be designated for topics 25 and 88.

We also plan to compel a witness for topic 21, relating to the financial issues and interrogatories we have been discussing and are conferring on tomorrow.

Best,
Brian
