**ORDER**

The Court enters this order *sua sponte*. Plaintiff AGIS Software Development, LLC and Defendant Apple, Inc. in Case No. 2:17-cv-00516-JRG are hereby **ORDERED** to engage in additional mediation efforts this case, in good faith, with the swerving mediator, David Folsom, on or before **FEBRUARY 8, 2019**. As a part of such mediation, each party shall appear by counsel (with lead and local counsel present and participating) and by at least one corporate officer possessing sufficient authority and control to unilaterally make binding decisions for the corporation adequate to address any good faith offer or counteroffer of settlement that might arise during such additional mediation session. Failure to do so shall be deemed by the Court as a failure to comply with this order and may subject that party to such sanctions as the Court deems appropriate. No participant shall leave the mediation without the approval of the mediator.

So ORDERED and SIGNED this 23rd day of January, 2019.
