ORDER GRANTING-IN-PART UNOPPOSED MOTION TO AMEND THE SCHEDULING ORDER

§

Before the Court is Plaintiff AGIS Software Development LLC's Unopposed Motion to Amend the Scheduling Order (Dkt. No. 35). The Court notes that only one of the requested extended deadlines falls before the forthcoming Scheduling Conference, the deadline to comply with P.R. 3-1 & 3-2. Having considered the Motion, the Court **GRANTS** the motion as to this extension, extending that deadline to the requested date of November 28, 2017.

However, the Court **DENIES WITHOUT PREJUDICE** the remaining extensions requested by AGIS Software Development LLC. The Court will address the schedule the Parties are to follow during the case at the Scheduling Conference. Any issues may be raised at that, appropriate, time.

So ORDERED and SIGNED this 15th day of November, 2017.

RODNEY GILSTRAP UNITED STATES DISTRICT JUDGE
