**JURY TRIAL DEMANDED**

**DECLARATION OF ANDREW OPLINGER REGARDING DEFENDANTS' MOTION  
TO TRANSFER VENUE TO THE NORTHERN DISTRICT OF CALIFORNIA**

I, Andrew Oplinger, state and declare as follows:

1. Until December 2017, I was a Technical Lead Manager for Google Product Infrastructure and work out of Google LLC's ("Google") Mountain View, California office. I submit this declaration based upon my personal knowledge, and, if called as a witness, I could and would testify competently to the information contained herein.

2. I am aware that Google maintains relatively small offices in Austin, in the Western District of Texas, and Dallas, in the Northern District of Texas. However, based on my investigation, I am aware of no relevant witnesses in Google's Austin office or Dallas office related to the design, development, operation, or management of the Google Maps for Mobile application ("GMM") or Google's Location Sharing functionality on GMM.

3. Additionally, the source code used to compile the GMM application, including the Location Sharing feature is not publicly available, is highly confidential, and maintained internally
