How to Find Your Phone

There may be a recovery method available for your phone or tablet that lets you see it on a map, make it ring, lock it or erase it. Select your device's **operating system** to learn how to use these features:

[Expand All](#)

Android®

Android Device Manager from Google Support can help you locate lost Android devices. Select a topic below to see instructions on Google's website about how to set up and use Android Device Manager:

- [Turn Android Device Manager on or off](#)
- [Find, lock or erase a lost device](#)

- BlackBerry -
- Basic Phone

Expand All

If you're unable to find your phone using the instructions above, refer to our [How to Replace Your Device](#) page for next steps.
