Counsel,

Today HTC Corp. received printouts of Google source code in the bates range GOOGLE_SC_00000494 to GOOGLE_SC_00000563. HTC Corp. requested the printouts reflected at GOOGLE_SC_00000494 to GOOGLE_SC_00000504. The remainder is presumably source code that AGIS or LG requested to be printed.

Please contact Google counsel, Mr. Callagy (copied), for a copy of the printouts.

Kyle

Counsel,

This afternoon, AGIS received a production of source code printouts from Google marked with production numbers GOOGLE_SC_00000424-493. Please contact Google's counsel, Mr. Callagy (copied), at Arnold & Porter for a copy of the production.

Regards,
Enrique

Subject: RE: AGIS - Google source code

Counsel,

This email serves as notice that Google has made new source code available for review. AGIS intends to send a reviewer to inspect this newly produced code. The location and attorney contact for Google remain the same as below.

Regards,
Dan

Subject: AGIS - Google source code

Counsel,

In response to AGIS's subpoena, Google has made available source code for inspection at Arnold Porter's Palo Alto office. AGIS's reviewer inspected the code last week and received printouts of the code.

If HTC would like to arrange for a copy of the printouts, the attorney contact for Google in this matter is Sean Callagy (Sean.Callagy@arnoldporter.com — copied here). Please copy us on all correspondence with Mr. Callagy.

Regards,
Enrique
