Custom-designed Features

Camera features

Wide-angle camera

You can take photos or record videos with a wider range than your actual field of vision by using the wide-angle on the front and rear cameras.

Tap > , then tap / or / to switch between the standard and wide-angle.

• See [Starting the camera](#) for details.

QLens

You can search image, or scan QR code by taking a photo with **QLens**.

- 1 Tap > , then tap **QLens**.
- 2 Select a desired option among Visual Search and Scan QR code.
- 3 Tap the screen to take a photo of an object you want to search or scan a QR code.
 - The result will appear after a moment.

- This feature is available only when your device is connected to a network. If you use mobile data, you may be charged for data usage, depending on your pricing plan.
- For the Visual Search feature, you can select the desired area from the image that you have taken, and then search it again.
- This feature is available only when the rear camera is in the Auto mode.

Match shot

You can take two photos and/or 3-second videos at the same time or one by one. You can also use any photo you have previously taken.

- 1 Tap > > **MODE** > .
- 2 To take a photo, tap . To record a video, tap .
 - : Record two split screens at the same time.
 - : Record two split screens individually.
 - : Import previous photos, videos, or images to create a match shot.
 - : Rotate the imported images.
 - : Change the order of the imported images.
- 3 Tap to save (if necessary).

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
