LG ELECTRONICS INC.'S LIST OF TRIAL WITNESSES

Pursuant to the Court's Third Amended Docket Control Order (D.I. 95) entered on December 20, 2018, Defendant LG Electronics Inc. ("Defendant" or "LGEKR") hereby serves, for the issues on which it bears the burden of proof, this identification of trial witnesses it may call live or by deposition.

LGEKR's identification of witnesses is based on its current assessment of the case, with expert discovery still ongoing and without a ruling on any pending motions, such as summary judgment motions, *Daubert* motions, motions to strike, as well as motions that are expected to be filed, such as motions *in limine*. LGEKR also, as of the date of this identification, has not received an indication from Plaintiff AGIS Software Development, LLC ("AGIS") of the nature and/or scope of the testimony and evidence that AGIS intends to present at trial. LGEKR reserves the right to supplement, amend, or otherwise modify this identification based on case developments, and in accordance with Rule 26(a)(3) of the Federal Rules of Civil Procedure and any applicable Local Rules of the United States District Court for the Eastern District of Texas or Standing Orders of the Court. LGEKR reserves the right to call live, by video, or by deposition any witness on this list or any witness on the witness list of, or otherwise identified by, AGIS. LGEKR also reserves the right to introduce deposition testimony as impeachment evidence and/or to call any witnesses necessary to authenticate or lay the foundation for the introduction of documents to which any opposing party objects (including but not limited to custodians of records). LGEKR reserves the right to cross-examine any witness called to testify by any opposing party or any other party, regardless of whether they are disclosed in this witness list, including, but not limited to, by counter-designation of proffered deposition testimony. LGEKR further reserves the right to amend this witness list in view of events at trial or other developments, including evidentiary rulings or other rulings by the Court. LGEKR also reserve

the right not to call any of the witnesses (either live or by deposition) set forth in its identification

of trial witnesses, or any amendments thereto.   Additionally, LGEKR does not waive, and

hereby expressly reserves, any rights and objections to the testimony of any witness identified

herein if proffered by AGIS.
