(MEMBER)**

**ORDER**

Before the Court is Plaintiff AGIS Software Development LLC and Defendant HTC Corporation's (collectively, the "Parties") Joint Motion to Continue Stay of All Deadlines (the "Motion"). (Dkt. No. 282.) The Parties have settled in principle all matters in controversy in Case No. 2:17-cv-00514-JRG. On March 5, 2019, the Court entered a stay of all deadlines in the aforementioned case to allow the Parties to finalize the settlement and file the appropriate dismissal papers with the Court. (Dkt. No. 269.) The Court continued the stay on April 3, 2019 (Dkt. No. 274) and again on May 1, 2019 (Dkt. No. 277). The Parties state that they need additional time to finalize the settlement agreement and request a fourth extension of the stay up through and including June 30, 2019. (Dkt. No. 282.)

Having considered the Motion, the Court is of the opinion that it should be and hereby is **GRANTED**. It is therefore **ORDERED** that all pending deadlines in Case No. 2:17-cv-00514-JRG are hereby **STAYED** up through and including **JUNE 30, 2019**. Having already afforded these parties considerably longer than is typical to finalize and submit their dismissal papers, the parties should neither expect nor seek any further extensions.

**So ORDERED and SIGNED this 3rd day of June, 2019.**
