JOINT MOTION FOR ENTRY OF SECOND AMENDED DOCKET CONTROL ORDER

Plaintiff AGIS Software Development LLC (“AGIS”) and Defendants HTC Corporation (“HTC”) and LG Electronics, Inc. (“LG”) (collectively, “Parties”), hereby submit this Joint Motion for Entry of a Second Amended Docket Control Order and show the Court as follows:

Good cause exists for requesting the extensions of time reflected in the proposed Second Amended Docket Control Order. The Parties worked diligently to address unavoidable conflicts of the Parties’ experts and subsequent scheduling conflicts resulting from the same. AGIS’s experts, Joseph McAlexander and Alan Ratliff, are each scheduled to submit multiple expert reports and testify in multiple depositions in other matters leading up to and immediately after the current deadline for opening reports. HTC’s experts are similarly unavailable to submit rebuttal reports until January 18, 2019 if the schedule were moved to accommodate for Joseph McAlexander and Alan Ratliff’s schedules. Extensions to the schedule are requested to allow sufficient time to complete expert discovery, motion practice, mediation, and pre-trial practice. The extensions as to all Parties would maintain alignment of schedules of the parties in this consolidated case. The

parties therefore respectfully request that the Court grant the extensions of dates in the proposed Second Amended Docket Control Order.

The Parties have conferred and agreed upon all provisions of the Second Amended Docket Control Order and hereby jointly move that the Court approve and enter same, a copy of which is attached hereto for the Court's entry.

Dated: December 3, 2018

Respectfully submitted,
