GTP's Witness List

Pursuant to Federal Rule of Civil Procedure 26(a)(3)(A) and the Sixth Amended Docket Control Order (Dkt. 155), Plaintiff Gesture Technology Partners, LLC (“GTP”) hereby submits its updated trial witness list. GTP makes no representation that each of the witnesses in this identification will ultimately be able to attend the trial. GTP does not know the precise nature of scope of the testimony and evidence that Defendants may seek to present at trial or what witnesses will be able to testify at trial. As such, GTP reserves the right to modify, amend or supplement this identification throughout the balance of this case based on case developments, including but not limited to (1) not call certain of the listed witnesses, (2) call live or by deposition as its witness at trial any witnesses necessary to authenticate or lay the foundation for the introduction of documents with Defendants object (including but not limited to custodians of records or authors of prior art). GTP also reserves the right to supplement or modify this identification in response to rulings by the Court (including on any motions). GTP identifies herein individuals who may be listed on Defendants’ updated witness list without prejudice to GTP’s right to object to Defendants’ presentation of those witnesses at trial, to the admissibility of all or part of those witnesses’ testimony, or GTP’s right to move for the exclusion of those witnesses’ testimony. Subject to the foregoing, GTP identifies the following witnesses:
