ORDER GRANTING DEFENDANT UBER TECHNOLOGIES, INC.'S MOTION TO COMPEL

Before the Court is Defendant Uber Technologies, Inc.'s ("Uber") motion to compel. Having considered the same, the Court hereby **GRANTS** Defendant's motion.

The Court orders AGIS Software Development LLC ("AGIS") to produce all documents and identify any other information upon which it will rely to rebut Microsoft Corporation's ("Microsoft") ownership interest in the Contested Patents and to demonstrate that it alone has

standing to assert the Contested Patents within one week of the date of this order. Such information should include, but not be limited to, (i) documents that support any allegation that Microsoft excluded Mr. Rice's AGIS activities from his assignment, (ii) documents that support any allegation that Microsoft agreed that Mr. Rice's AGIS activities were excluded from his assignment, (iii) documents that support any allegation that Mr. Rice obtained approval to "moonlight" for AGIS, and (iv) documents that support any allegation that each of the conditions exempting the assignment obligation were present. To the extent not otherwise fully supplemented, AGIS must provide a complete response to Interrogatory No. 10.
