ORDER

Before the Court is the Claim Construction Memorandum Opinion and Order (“Order”) of Magistrate Judge Payne dated November 10, 2021 (Dkt. No. 213.) Plaintiff AGIS Software Development LLC (“Plaintiff”) has filed Objections (Dkt. No. 237) and a Notice of Supplemental Information Relevant to Plaintiff’s Objections to Claim Construction Order (Dkt. No. 260.) Defendant Uber Technologies, Inc. (“Defendant”) has filed its own Objections to the Order (Dkt. No. 238) and a response to Plaintiff’s Notice of Supplemental Information (Dkt. No. 266.)

After considering the reasoning provided in the Order, the underlying claim construction briefing, Plaintiff’s Objections and Notice, and Defendant’s Objections, the Court agrees with the conclusions reached within the Order and finds Plaintiff’s and Defendant’s arguments within its respective Objections unpersuasive. Accordingly, the Court **OVERRULES** Plaintiff’s and Defendant’s Objections and **ADOPTS** Magistrate Judge Payne’s Order.

So ORDERED and SIGNED this 12th day of January, 2022.
