1 Development LLC, do they visit that office?

2 A. It -- no, it does not have -- does not  
3 have employees. It is -- it doesn't really have a  
4 mechanism for doing payroll. So we are a small -- we  
5 are a small company, and so the payroll is done by  
6 Advanced Ground Information Systems, Incorporated,  
7 which is -- always has been going back to 2004. So  
8 it sort of subcontracts for the employees that -- to  
9 do what is necessary.

10 Q. Okay. And --

11 A. It is a convenient location for -- we  
12 have employees who have -- we all have a lot of ties  
13 to Texas. My husband and I were married in El Paso.  
14 All his family lives in Texas. Sandel Blackwell's  
15 mother and brother live in Texas. He was raised in  
16 Texas. Rebecca Clark graduated -- was raised in  
17 Texas, graduated from Texas A & M University. Her  
18 family's there.

19 So it is -- it is not that far from,  
20 actually, Kansas for people to get to Marshall. It  
21 is sort of on the way to where they're going for  
22 other reasons. So -- so it's a good -- it's a good  
23 location.

24 MR. ROBB: Move to strike.

25 Q. (BY MS. SALPIETRA) Ms. Beyer, you were

18 **in Waco, Texas, and --**

19 **Q. What -- what effort has AGIS Software**  
20 **Development LLC taken to hire employees?**

21 **A. Well, right now things are working pretty**  
22 **well with their contracting Advanced Ground**  
23 **Information Systems, Incorporated employees; and we**  
24 **have been very busy, working very hard, so --**

25 **Q. Ms. Beyer, have you received any**

7 Q. Okay. So, just to confirm, there are no  
8 current employees of AGIS Software Development LLC at  
9 the 100 West Houston Street location; is that  
10 correct?

11 **A. Not direct employees. They are**  
12 **contracted employees. They contract from Advanced**  
13 **Ground Information Systems, Incorporated.**

14 Q. The same question for the 5 Stuart Lane  
15 location, are there any AGIS Software Development LLC  
16 employees at that location?
