Enrique,

Please let me know if AGIS is willing to waive service of the N.D. Cal. DJ complaint when you have a moment.

Separately, while we await the E.D. Tex. court's ruling on Lyft's motion to dismiss for improper venue, please provide any venue discovery AGIS would like to support its opposition to Lyft's motion so Lyft can investigate the requested discovery should the court find such discovery helpful (or necessary) to rule on Lyft's motion. If it would be helpful to discuss AGIS's venue-related discovery requests, please let me know.

Thanks,
Jeremy

Enrique,

Thank you for your email. Lyft has not served the N.D. Cal. complaint. Would AGIS be willing to waive service?
