WhatsApp Business App

WhatsApp Business is a free to download app that was built with the small business owner in mind. Create a catalog to showcase your products and services. Connect with your customers easily by using tools to automate, sort and quickly respond to messages.

WhatsApp can also help medium and large businesses provide customer support and deliver important notifications to customers. Learn more about [WhatsApp Business API](#).

Hello! 🥰

END-TO-END ENCRYPTION

## Security by Default

Some of your most personal moments are shared on WhatsApp, which is why we built end-to-end encryption into the latest versions of our app. When end-to-end encrypted, your messages and calls are secured so only you and the person you're communicating with can read or listen to them, and nobody in
