

EXHIBIT Y

COVID-19 Update: Passengers can stay informed of current service and safety measures by visiting DCTA's official COVID-19 web page and frequently checking the Center for Disease Control and Prevention (CDC).

UNT/LYFT

The UNT Lyft Program is a DCTA service offered in partnership with the University of North Texas (UNT) and Lyft, designated to provide free rides on campus to UNT students, faculty and staff during the early morning hours of 2 a.m. to 7 a.m. (Monday through Sunday) along the UNT Lyft Zone .

Students, faculty and staff must enter the promo code provided by UNT to enroll in the discount program. This is the only time a user has to enter the code to enroll in the program for the semester. To view the UNT Lyft Zone, users can select "view coverage area" in the promotional section. The free ride discount will be automatically applied to an eligible trip before it's requested. In addition, the discount will be automatically applied every time a user takes an eligible trip within the program parameters (service hours and UNT Lyft Zone).

ADDITIONAL SERVICES AVAILABLE

The UNT Parking and Transportation office provides additional transportation programs for UNT students, faculty and staff; such as ridesharing, E-Ride late-night on-demand service and an hourly rental car program. For more information regarding these programs, please visit www.unt.edu/transit or call 940.565.3020.
