### **<u>COUNT I</u>** (Infringement of the '123 Patent)

17. Paragraphs 1 through 17 are incorporated herein by reference as if fully set forth in their entireties.

18. AGIS Software has not licensed or otherwise authorized Defendants to make, use, offer for sale, sell, or import any products that embody the inventions of the '123 Patent.

19. Defendants have and continue to directly infringe at least claim 23 of the '123 Patent, either literally or under the doctrine of equivalents, by making, using, offering to sell, selling, and/or importing into the United States the Accused Devices without authority and in violation of 35 U.S.C. § 271(a).

20. Defendants have and continue to indirectly infringe at least claim 23 of the '123 Patent by actively, knowingly, and intentionally inducing others to directly infringe, either literally or under the doctrine of equivalents, by making, using, offering to sell, selling, and/or importing into the United States the Accused Devices and by instructing users of the Accused Devices to perform methods claimed in the '123 Patent. For example, Defendants, with knowledge that the Accused Devices infringe the '123 Patent at least as of the date of this Complaint, actively, knowingly, and intentionally induced, and continue to actively, knowingly, and intentionally induce direct infringement of the '123 Patent.

21. For example, Defendants have indirectly infringed and continue to indirectly infringe at least claim 23 of the '123 Patent in the United States because Defendants' customers use such devices, including at least the Google Maps, Find My Device (formerly Android Device Manager), Find My Phone, Google Messages, Android Messenger, Samsung Messages, Google Hangouts, Google Plus, Google Latitude, Google Play Protect, and Google Chrome apps installed on the Accused Devices, in accordance with Defendants' instructions and thereby
