1 needed, once they were functioning they had to do what
2 they do to deploy a product so we stepped out of the
3 way.

4 Q. That's what I'm trying to figure out. If we
5 are talking about even getting to
6 September -- August/September of 2010, what they did to
7 deploy the commercial product, that's not something
8 that you could testify about from your personal
9 knowledge; right?

10 A. Correct.

11 Q. Thinking about this time frame, you know, you
12 had the prototype, you're starting the -- the handoff,
13 do you recall what documents would have been passed off
14 to the product team; what sort of documentation did
15 your team provide the products team as part of the
16 handoff?

17 A. Well, you can imagine. I mean, we provided
18 design, architecture, XML specs, the design of how to
19 make it work.

20 Q. How voluminous was that to the best of your
21 recollection?

22 A. I can't remember. That was a long time ago.

23 Q. Hundreds of pages, 20 pages, thousands of
24 pages?

25 A. It was absolutely not hundreds of pages. It
