ORDER

Before the Court is Plaintiff Maxell, LTD’s Motion for Leave to Amend Infringement Contentions (Docket No 96). Maxell seeks to add Apple’s newly released products, which it alleges infringe in similar ways to products included in Maxell’s original contentions.

Maxell initially indicated that Apple opposed the motion. However, Apple subsequently filed a “Statement of Non-Opposition” to the motion, stating that Apple did not oppose the Motion, but believed the motion should not be resolved before the Court decides the Motion to Transfer. Docket No. 105 at 2. As such, the Court understands the motion is unopposed on the merits. Having reviewed the motion and finding good cause exists, it is hereby

ORDERED that Maxell’s Motion for Leave to Amend Infringement Contentions (Docket No. 96) is **GRANTED**.

So ORDERED and SIGNED this 19th day of November, 2019.
