

**IN THE UNITED STATES DISTRICT COURT
FOR THE EASTERN DISTRICT OF TEXAS
TEXARKANA DIVISION**

MAXELL, LTD.,

Plaintiff

v.

APPLE INC.,

Defendant.

Civil Action No. 5:19-cv-00036-RWS

ORDER

Before the Court is the parties' proposed redacted version of the Order denying Maxell, Ltd.'s Opposed Motion for Sanctions (Docket Entry # 508). With one alteration to correct an error on the last page of the Court's sealed August 10, 2020 Order on Motion for Sanctions (Docket Entry # 497), the Court, having considered the parties' proposed publicly-available redacted version of the Order, is of the opinion the parties' redacted version should be entered by the Clerk of the Court. Accordingly, it is

ORDERED that the Clerk of the Court shall edit the proposed publicly-available redacted version of the Court's August 10, 2020 Order on Motion for Sanctions (Docket Entry # 508-1) to change the word "Maxell's" in the first sentence at the top of page 25 to "Apple's," thus changing the sentence to read as follows: "Having concluded that Apple's failure to produce documents by the Patent Rule 3-4 deadline and the November 27, 2019 substantial completion of production date was not a result of Apple's bad faith, and having further concluded sanctions would be improper in the interests of fairness and justice, the Court is of the opinion Maxell's request for sanctions should be denied." It is further

ORDERED that with that alteration, the Clerk of the Court shall enter Docket Entry # 508-1 on the docket as the publicly-available redacted, and corrected, version of Docket Entry # 497.

IT IS SO ORDERED.

SIGNED this 25th day of August, 2020.

CAROLINE M. CRAVEN
UNITED STATES MAGISTRATE JUDGE
