APPLE INC.,

Defendant.

NO. 5:19-cv-00036-RWS

**JURY TRIAL DEMANDED**

**APPLE INC.'S NARROWED TRIAL WITNESS LIST**

Defendant Apple Inc. (“Apple”) hereby submits its narrowed trial witness list pursuant to the Amended Docket Control Order (Dkt. No. 283) and the parties’ recent narrowing of issues in this case. Apple makes no representation that each of the witnesses on this list will ultimately be able to attend the trial. Apple does not know the precise nature or scope of the testimony and evidence that Maxell, Ltd. (“Maxell”) may seek to present at trial or what witnesses will be available to testify at trial. As such, Apple reserves the right to modify, amend or supplement this list throughout the balance of this case based on case developments, including but not limited to the right to (1) not call certain of the listed witnesses, (2) call live, or by deposition, any witness identified on Maxell’s witness lists as Defendant’s witness at trial, (3) call any witnesses necessary to authenticate or lay the foundation for the introduction of documents to which Maxell objects (including but not limited to custodians of records or authors of prior art), and (4) seek leave to present witnesses through alternative methods due to the on-going COVID-19 pandemic. Apple also reserves the right to supplement or modify this list in response to rulings by the Court (including on any motions). Apple reserves all rights to call the witnesses

by deposition, as identified in its deposition designations or counter-designations. Apple includes in this list individuals who may be listed on Maxell's witness list without prejudice to its right to object to Maxell's presentation of those witnesses at trial and/or the admissibility of all or part of those witnesses' testimony, or its right to move for the exclusion of those witnesses' testimony.
