Law Offices of Taraneh Maghame

The firm was established to provide a unique combination of outstanding legal, counseling and government relations services to assist in achieving the strategic business goals of each client. Utilizing the skills and insight developed through years of experience in intellectual property strategy, licensing and litigation, business law and transactions, and government relations, we are able to bring an exceptional level of performance to achieve the best results for our clients. In addition, based on a combination of large firm and in-house practice experience, we can work with our smaller clients as part of the management team to handle all legal aspects of their businesses.
