**STIPULATION OF DISMISSAL WITHOUT PREJUDICE
AS TO DEFENDANT VERIZON COMMUNICATIONS INC.**

Plaintiff Cellular Communications Equipment LLC (“CCE”) and Defendants Verizon Communications Inc.¹ (“VCI”) and Cellco Partnership d/b/a Verizon Wireless (“Verizon Wireless”) submit the following Stipulation of Dismissal Without Prejudice as to Defendant VCI and in support thereof state:

1. On December 19, 2014, Plaintiff CCE filed suit against VCI, Verizon Wireless, and others for infringement of U.S. Patent No. 8,385,966 (“the ’966 Patent”), U.S. Patent No. 8,484,556 (“the ’556 Patent”), and U.S. Patent No. 8,868,060 (“the ’060 Patent”).
On April 16, 2015, CCE filed its First Amended Complaint.
2. VCI represents and warrants that:

¹ CCE’s Complaint misidentifies Verizon Communications Inc. as Verizon Communications, Inc.

- a. VCI is a holding company that has no employees, sales representatives, or distributors. Furthermore, VCI does not instruct, direct, or control the activities of its subsidiaries (or any other entity) relevant to (i) the operation or design of any cellular telephone communications network; or (ii) the operation or design of wireless device features and functionality.
 - b. VCI and Verizon Wireless agree that for purposes of discovery in this case, documents and information in the possession, custody or control of VCI or any of its subsidiaries are deemed also to be in the possession, custody and control of Verizon Wireless. Verizon Wireless will not object to a request for deposition on the grounds that the prospective deponent is an employee of VCI or any of its subsidiaries (though nothing in this stipulation prevents Verizon Wireless from objecting to a deposition on other grounds).
 - c. Verizon Wireless is the proper party to defend against allegations made in this patent infringement lawsuit. Furthermore, Verizon Wireless or any assignee of Verizon Wireless is able to satisfy any judgment against it in this case. VCI and Verizon Wireless each warrant and represent that they will not take any action that will cause Verizon Wireless to be unable to fully satisfy any judgment entered in this case.
3. CCE expressly does not stipulate or agree to any of the foregoing facts and reserves its right to dispute any of the foregoing factual representations with evidence to the contrary.
 4. In reliance upon the representations and warranties made in paragraphs 2(a) – 2(c) above, CCE agrees to dismiss VCI without prejudice as allowed under Rule 41(a)(2)

of the Federal Rules of Civil Procedure.

5. CCE has not released, and nothing in this Stipulation should be construed as a release or discharge of, any claim CCE has or may have in the future against any defendant named in this action or any other asserted infringer of the patents-in-suit. All other rights have been expressly reserved.

Accordingly, CCE, VCI, and Verizon Wireless request that the Court enter the attached order dismissing VCI without prejudice.

Dated: April 21, 2015

Respectfully submitted,

/s/ Edward R. Nelson

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
