Counsel,

Thank you for providing the summons and complaint.

In the declaration filed by Adam Price in support of the motion for alternative service, it states in paragraph 3 that your firm "received confirmation that the letters rogatory package had been received by the Department of State on November 6, 2020." Can you please provide a copy of that confirmation to us and any related documentation showing receipt of the letters rogatory by the U.S. Department of State and the transaction number they provided?

Best regards,

Robert
