COMPANY

Leveraging an over 125-year history of product development and manufacturing innovation, quality, and performance, Gentex Corporation is dedicated to improving personal protection and situational awareness for global defense forces, emergency responders, and industrial personnel operating in high performance environments. The company's product portfolio includes helmet system platforms and capability upgrades sold under the Gentex, Ops-Core, ALPHA, Argus, Aegisound, and Cromwell brands; PureFlo industrial respiratory protection systems; Dual Mirror OEM aluminized fabrics; and Filtron OEM light management technology. Privately held, Gentex supports its global customers through a worldwide distributor network and facilities in Carbondale, Pennsylvania (headquarters), Boston, MA; Rancho Cucamonga, CA; Manchester, NH; Letchworth Garden City, Herts, U.K. (European Headquarters); and Stranraer, Scotland.
