Counsel,

Attached please find Defendants' First Set of Interrogatory Requests to Plaintiffs.

Separately, Plaintiffs' recently produced alleged priority documents include scans of what appear to be pages from Eric Foxlin's notebook, bearing Bates numbers GNTX0001598–GNTX0001604. Defendants request to inspect the complete document. Please provide a date and location for Defendants to physically inspect the complete notebook.

Regards,  
Josh
