finding the key concepts for patenting and does excellent work.

Ron Ih - (ISC)2 SSP, MS Mgmt, MSEE, BSEE · 3rd

Principal Technical Partner Manager at Adobe
May 16, 2009, Ron was Scott's client

Scott has a unique combination of people skills, IP legal experience, and technical knowledge that make him a pleasure to work with. Scott and his team produce outstanding work and not only know how to protect your IP, they understand how to work with the USPTO to help keep the process

Eric Karlson · 3rd

Structured finance investor and deal maker specializing in sourcing, structuring, mitigating risk, valuing, and managing complex investments
May 14, 2009, Eric worked with Scott but on different teams

I had the privilege of serving with Scott aboard the USS Shiloh. Our tour of duty included a deployment to the Arabian Gulf to enforce United Nations' sanctions against Iraq and anti-drug operations in South America. I know Scott to be an extremely intelligent, motivated, detail-oriented professional.

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
