# Graham Short

Retired
Milton Keynes, England, United Kingdom

## Summary

Embedded software expert

Specialties: Senior software engineer with an excellent track record of leading teams and implementing innovative solutions. Programming and design expertise for over 20 years with a blue-chip company

---

## Experience

**Cranfield Precision**
CNC Software Engineer
October 2010 - April 2021 (10 years 7 months)

Design and development of software for Industrial Control CNC systems.

**Wentworth Laboratories**
Software Engineer
June 2008 - October 2010 (2 years 5 months)

Embedded Software Engineer working on stepper motor control of IC test equipment

**ARM Ltd**
Principal Software Engineer
September 2005 - June 2008 (2 years 10 months)

Computer Software Driver Development

**Virata (later Conexant)**
Senior Software Engineer
July 2001 - August 2005 (4 years 2 months)

Software lead of bring-up and release to market of 4 ADSL CPE devices. Pre-silicon verification using C model and FPGA, boot code and BSP development. Driver development for various peripherals including PCI, HDLC, PCMCIA, Flash

Texas Instruments
Software Engineer
1980 - 2001 (21 years)

Senior software engineer with an excellent track record of leading teams and implementing innovative solutions. Programming and design expertise for over 20 years with a blue-chip company

_____

## Education

University of London
MSc, Electrical Engineering · (1984 - 1986)

University of Kent
BSc, Maths/Computer Science · (1977 - 1980)
