

EXHIBIT A

UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF TEXAS
WACO DIVISION

PARKERVISION, INC.,
Plaintiff,

v.

REALTEK SEMICONDUCTOR CORP.,
Defendant.

Case No. 6:22-cv-01162-ADA

**REALTEK SEMICONDUCTOR CORP.'S FIRST SET OF REQUESTS FOR
PRODUCTION TO PLAINTIFF PARKERVISION, INC.
REGARDING FACT DISCOVERY**

Pursuant to Rules 26 and 34 of the Federal Rules of Civil Procedure, Defendant Realtek Semiconductor Corp. (“Realtek”) requests that Plaintiff ParkerVision, Inc. (“Plaintiff” or “ParkerVision”) respond to the following Requests for Production (“Requests”) in accordance with the Federal Rules of Civil Procedure, and apply the Definitions and Instructions set forth below.

DEFINITIONS AND INSTRUCTIONS

1. “You,” “Plaintiff,” or “ParkerVision” means (i) Plaintiff ParkerVision, Inc., (ii) its present or former directors, principals, owners, members, officers, employees, agents, representatives, accountants, investigators, consultants, attorneys, and predecessors or successors in interest, and any parent, subsidiary, joint venture, affiliated entities or other legal entities that are wholly or partially owned or controlled, either directly or indirectly, that were in existence during the applicable period of time covered by these Requests; (iii) any other Person acting on their behalf or on whose behalf they acted; and (iv) any other Person otherwise subject to their control, or which controls them, or with which they are under common control.
2. “Defendant” or “Realtek” means Realtek Semiconductor Corp.

3. “Party” or “Parties” refers to the Defendant and the Plaintiff.
4. “Action” means the case captioned *ParkerVision, Inc. v. Realtek Semiconductor Corp.*, Case No. 6:22-cv-01162-ADA in the Western District of Texas, and any appeals thereof.
5. “Complaint” means the Complaint for Patent Infringement filed by ParkerVision, Inc. in this Action on November 10, 2022, as well as any supplements thereof or amendments thereto.
6. “’706 Patent” means U.S. Patent No. 6,049,706—including any reexamination certificate and certificate of correction.
7. “’518 Patent” means U.S. Patent No. 6,266,518—including any reexamination certificate and certificate of correction.
8. “’835 Patent” means U.S. Patent No. 7,292,835—including any reexamination certificate and certificate of correction.
9. “’513 Patent” means U.S. Patent No. 8,660,513—including any reexamination certificate and certificate of correction.
10. “Asserted Patents” or “Patents-in-Suit” mean the ’706 Patent, the ’518 Patent, the ’835 Patent, and the ’513 Patent.
11. “Related Application” means any parent or ancestral application related in any way to the Asserted Patents and any continuing application, continuation-in-part application, divisional application, file-wrapper continuation, reexamination proceeding, reissue application, abandoned application or foreign counterpart application for that patent.
12. “Related Patent” means any patent that issued from any Related Application.
13. “Prior Art” has the same meaning as it has in the applicable version of 35 U.S.C. §§ 102 and/or 103. This meaning includes any patent, printed publication, physical product or

component, prior knowledge, prior use, prior sale or offer for sale, or other act or event defined in 35 U.S.C. §§ 102 and/or 103, taken alone or in combination.

14. “Written Description” shall refer to the requirement that “[t]he specification shall contain a written description of the invention” as set forth in 35 U.S.C. § 112.

15. “Enabling Disclosure” shall refer to the requirement that “[t]he specification shall contain a written description of . . . the manner and process of making and using [the invention], in such full, clear, concise, and exact terms as to enable any person skilled in the art to which it pertains, or with which it is most nearly connected, to make and use the same...” as set forth in 35 U.S.C. § 112.

16. “Named Inventor” shall mean any person listed as an inventor on the face of any patent-in-suit.

17. “Third Party” means any person or entity other than ParkerVision and Realtek.

18. “Document” is used in the most comprehensive and inclusive sense permitted by the Federal Rules of Civil Procedure, and includes but is not limited to all of the following matter in Your actual or constructive possession, custody, or control: all written, handwritten, typewritten, drawn, graphic, printed, recorded, magnetic, optical, electronic, or otherwise produced or reproduced matter or medium of any kind on which any intelligence or information is recorded or stored, or from which any intelligence or information can be obtained, translated, if necessary, by ParkerVision through detection devices into reasonably usable form.

“Document” includes but is not limited to the original and any non-identical copy, whether different from the original because of any notes, marks, alterations, writings, or other changes made on said copy or otherwise. By way of example, and not by way of limitation, “Document” includes any advertising literature; agreement; archive record; bank record or statement;

blueprint; book; book of account; booklet; brochure; calendar; chart; check; circular; coding form; communication (including without limitations intra- or inter-company communication); compilation; computer printout; computer-readable form; computer software and firmware, including supporting indices, data, documentation, flow charts, comments, object code, source code, and computer programs relating thereto; contract; copy; correspondence (including without limitation cablegrams, radiograms, telegrams, and telefaxes); data (in any form); database; diary; direction; display; draft of any document; drawing; e-mail or electronic mail; file (whether current or expired); film; flyer; forecast; form; graph; handbook; history; index; information that has been stored, recorded, or transmitted electronically (including but not limited to voicemail, video mail, and electronic mail, and information stored or recorded on, or transmitted by, cellular telephones, smartphones, or other communication devices, personal digital assistants or other handheld computers, home or business computers, desktop computers, laptop computers, main-frame computers, notebook computers, personal computers, networked or stand-alone computers, or Internet websites); instruction; instruction book, booklet, manual, or sheet; invoice; job requisition; ledger; legal pleadings or filings of any kind; letter; license; machinery manual; magazine; magnetic media of any kind (including but not limited to disks, floppy disks, tapes, back-up tapes, or other media containing computer software, firmware, or data of any kind); manual; map; memorandum; minutes or other records of meetings, conferences, or telephone or intercom conversations, including lists of persons attending the meetings, conferences or conversations; newsletter; newspaper or other clipping; note; notebook (including but not limited to laboratory, engineering, or other notebooks); operator manual; opinion; optical disc or other optical medium of any kind containing computer software, firmware, or data of any kind; pamphlet; paper; patent, patent application, periodical or other publication; phonorecord;

Explore Litigation Insights

Docket Alarm provides insights to develop a more informed litigation strategy and the peace of mind of knowing you're on top of things.

Real-Time Litigation Alerts

Keep your litigation team up-to-date with **real-time alerts** and advanced team management tools built for the enterprise, all while greatly reducing PACER spend.

Our comprehensive service means we can handle Federal, State, and Administrative courts across the country.

Advanced Docket Research

With over 230 million records, Docket Alarm's cloud-native docket research platform finds what other services can't. Coverage includes Federal, State, plus PTAB, TTAB, ITC and NLRB decisions, all in one place.

Identify arguments that have been successful in the past with full text, pinpoint searching. Link to case law cited within any court document via Fastcase.

Analytics At Your Fingertips

Learn what happened the last time a particular judge, opposing counsel or company faced cases similar to yours.

Advanced out-of-the-box PTAB and TTAB analytics are always at your fingertips.

API

Docket Alarm offers a powerful API (application programming interface) to developers that want to integrate case filings into their apps.

LAW FIRMS

Build custom dashboards for your attorneys and clients with live data direct from the court.

Automate many repetitive legal tasks like conflict checks, document management, and marketing.

FINANCIAL INSTITUTIONS

Litigation and bankruptcy checks for companies and debtors.

E-DISCOVERY AND LEGAL VENDORS

Sync your system to PACER to automate legal marketing.
