## UNITED STATES DISTRICT COURT FOR THE WESTERN DISTRICT OF TEXAS WACO DIVISION

ALMONDNET, INC. and INTENT IQ, LLC,

Plaintiffs,

Case No. 6:24-cv-00303-ADA

v.

**JURY TRIAL DEMANDED** 

ORACLE CORPORATION,

Defendant.

## **JOINT SCHEDULE**

In accordance with the Court's January 23, 2024 Standing Order Governing Proceedings (OGP) 4.4—Patent Cases, the case management conference in this case was deemed to have occurred on September 20, 2024. On October 3, 2024, the parties submitted a Joint Schedule pursuant to Rule 16 of the Federal Rules of Civil Procedure and the Court's Default Schedule, attached as Appendix A to the OGP, and have been abiding by the deadlines in that Joint Schedule. Plaintiffs AlmondNet, Inc. and Intent IQ, LLC require an extension in the claim construction schedule due to Plaintiffs' counsel's involvement in trial in another matter in another court. Because the Court's Default Schedule triggers deadlines from the *Markman* hearing, which Plaintiffs require be moved, the parties submitted a new schedule for the case. Accordingly, the Court ORDERS that the following schedule will govern deadlines up to and including the trial of this matter:

Deadline	Item
January 31, 2025	Plaintiffs file Responsive claim construction brief.
February 14, 2025	Defendant files Reply claim construction briefs.
February 21, 2025	Parties to jointly email the law clerks (see OGP at 1) to confirm
	their <i>Markman</i> date and to notify if any venue or jurisdictional
	motions remain unripe for resolution.

Deadline	Item
February 28, 2025	Plaintiffs file a Sur-Reply claim construction brief.
March 5, 2025	Parties submit Joint Claim Construction Statement and email the law clerks an editable copy.
	See General Issues Note #9 regarding providing copies of the briefing to the Court and the technical adviser (if appointed).
March 7, 2025	Parties submit optional technical tutorials to the Court and technical adviser (if appointed).
March 21, 2025	Markman Hearing at 9:00 a.m. This date is a placeholder and the Court may adjust this date as the Markman hearing approaches.
March 24, 2025	Fact Discovery opens; deadline to serve Initial Disclosures per Rule 26(a).
May 2, 2025	Deadline to add parties.
May 16, 2025	Deadline to serve Final Infringement and Invalidity Contentions. After this date, leave of Court is required for any amendment to infringement or invalidity contentions. This deadline does not relieve the parties of their obligation to seasonably amend if new information is identified after initial contentions.
July 11, 2025	Deadline to amend pleadings. A motion is not required unless the amendment adds patents or patent claims. (Note: This includes amendments in response to a 12(c) motion.)
September 19, 2025	Deadline for the first of two meet and confers to discuss significantly narrowing the number of claims asserted and prior art references at issue. Unless the parties agree to the narrowing, they are ordered to contact the Court's Law Clerk to arrange a teleconference with the Court to resolve the disputed issues.
October 17, 2025	Close of Fact Discovery.
October 24, 2025	Opening Expert Reports.
November 21, 2025	Rebuttal Expert Reports.
December 19, 2025	Close of Expert Discovery.
December 29, 2025	Deadline for the second of two meet and confers to discuss narrowing the number of claims asserted and prior art references at issue to triable limits. If it helps the parties determine these limits, the parties are encouraged to contact the Court's Law Clerk for an estimate of the amount of trial time anticipated per side. The parties shall file a Joint Report within 5 business days regarding the results of the meet and confer.
