Thanks for your email John. We'll focus more closely on this when we get actually close to trial and will be happy to work together collaboratively on a mutual narrowing of issues. But a trial 5 months away isn't close yet and Dauberts/MILs haven't been filed, much less ruled on.

But if you have any early views on your narrowing proposals, feel welcome to share them.

Counsel - -

In order for the parties to streamline the issues for trial, please let us know by Friday which of the currently asserted patents and claims you intend to pursue at trial and which you intend to drop.
