

**IN THE UNITED STATES DISTRICT COURT  
FOR THE EASTERN DISTRICT OF VIRGINIA  
ALEXANDRIA DIVISION**

PHILIP MORRIS PRODUCTS S.A.,

Plaintiff,

v.

R.J. REYNOLDS VAPOR COMPANY,

Defendant.

Case No. 1:20-cv-00393-LMB-WEF

**[PROPOSED] ORDER ON R.J. REYNOLDS VAPOR COMPANY'S  
MOTION FOR ENTRY OF JUDGMENT UNDER RULE 54(b)**

THIS MATTER is before the Court on R.J. Reynolds Vapor Company's Motion For Entry of Judgment Under Federal Rule of Civil Procedure 54(b). The Court hereby determines that the judgment previously entered under Federal Rule of Civil Procedure 58 on the Court's order denying Philip Morris Products S.A.'s request for an injunction and granting the request for ongoing royalties (Dkt. No. 1457) has rendered final all claims regarding Philip Morris Products S.A.'s Counterclaims I and III concerning Patent Nos. 9,814,265 and 10,104,911 (the "Asserted Patents"), including the amended judgment entered on the jury verdict regarding Philip Morris Products S.A.'s Asserted Patents (Dkt. No. 1415).

In light of the final resolution of all claims regarding Philip Morris Products S.A.'s Asserted Patents, and because there is no just reason for delay of entry of a final, appealable judgment as to those claims, the Court hereby enters final judgment as to Philip Morris Products S.A.'s Asserted Patents under Federal Rule of Civil Procedure 54(b).

ENTERED this \_\_\_\_ day of April, 2023.
