CIVIL ACTION NO. 3:14CV757-REP

**PERMANENT INJUNCTION AND DISMISSAL ORDER**

Based on the parties' stipulation and agreement hereto, it is hereby ORDERED, ADJUDGED, and DECREED as follows:

1. Defendants Old Micro, Inc. f/k/a Velocity Micro, Inc., and Velocity Holdings, LLC (collectively "Velocity") and all affiliated or related entities, agents, officers, employees, representatives, successors, assigns, attorneys, and all other persons acting for, with, by, through, or under authority from Velocity, or in concert or participation with Velocity, are hereby PERMANENTLY ENJOINED AND RESTRAINED from

- (a) making, using, offering to sell, or selling within the United States or importing into the United States, during the extant life of United States Patent No. 7,073,054 ("the '054 Patent"), which expires no later than August 16, 2022, any computer containing a hybrid rotating hard disk drive/solid state drive ("hybrid drive"), where the booting program for the computer operating system is stored in the solid state portion of the hybrid drive and the loading of the booting program onto main memory of the

computer or the transmitting of the booting program to the computer occurs before the driving motor of the hard disk drive reaches a normal speed as power is supplied to the computer, including, but not limited to, the NoteMagix M15 with 750gb 7200rpm Mobile Hard Drive with 8gb SSD Cache;

- (b) otherwise directly infringing, contributorily infringing, or inducing infringement of any of the claims of the '054 patent during the extant life of the '054 Patent;
- (c) making, using, offering to sell, or selling within the United States or importing into the United States, during the extant life of United States Patent No. 5,777,854 ("the '854 Patent"), which expires July 7, 2015, any computer case which infringes the '854 Patent, including, but not limited to, the Velocity SX computer case;
- (d) otherwise directly infringing, contributorily infringing, or inducing infringement of any of the claims of the '854 patent during the extant life of the '854 Patent; and
- (e) assisting, aiding, or abetting any other person or business entity in engaging in or performing any of the activities referred to in subparagraphs (a)–(d), above;

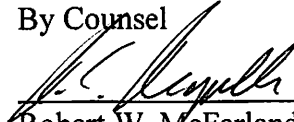

2. This Permanent Injunction shall be binding upon and inure to the benefit of Samsung and Velocity and their respective parents, subsidiaries, affiliates, predecessors, successors, assigns, licensees, manufacturers, and distributors and their officers, directors, shareholders, servants, employees, attorneys, and agents, or any committee or other arrangement of creditors organized with respect to the affairs of any party.
